DEDICATION

"The highest of distinction is service to others."
King George VI

Service through her work best exemplifies Mrs. Constance A. Hodgdon.

Not only does Mrs. Hodgdon perform the many duties necessary as secretary to the Director of Student Services and Placement, but she plays a major role in placing Fisher Junior College graduates, past and present, in appropriate positions. Her patience and compassion to all who seek her assistance encourages all with whom she works to set forth on a new career with self-confidence. In this day of automation, Mrs. Hodgdon's cooperation and personal interest is a joy.

We, the Class of 1968, hereby dedicate the 1968 BEACON to Mrs. Constance Hodgdon, a woman whom we feel is devoted in her service and loyalty to Fisher Junior College.

MRS. CONSTANCE A. HODGDON

PRESIDENT'S MESSAGE

To the Class of 1968:

Though one seldom realizes it at the time, each life is marked by milestones, which, as one passes them, make a sort of graph of one's progress for good or ill.

Your graduation from Fisher Junior College is one of these markers. There have been several before this, such as the first day of kindergarten which marked the close of your infancy. And there will be landmarks in the future--your first job, your marriage. Though I will not go any further with this analogy, the latter part of life has milestones, too. What I want to say about them is that, pausing at the moment when the terminating event occurs, one looks back to see what the route has been and whether or not any progress has been made.

So at this moment, which you are joyfully anticipating, I am sure that you are scrutinizing what you have done at Fisher, weighing it, assessing yourself in relation to what has been demanded of you.

If you have a sense of accomplishment for having done as well as you could, this is a moment of great satisfaction. You can say to yourself, "Having done this, I can do more." And I hope with all my heart that you will go on to just that--doing more and doing well.

All of us at Fisher hope for you the best of all good things. As for myself, I have somewhat the feeling of launching a fleet. Today the sea looks calm, but out there on the horizon there are doubtless strong winds and adverse tides. I will pray for your fortitude. You can summon both courage and good sense to aid you, and I hope you will do it.

Most sincerely,

Sanford L Fisher

President

MUFFIN HOUSE

IT'S LIKE A JOURNEY INTO THE PAST

That's what people say when they visit a Pewter Pot Muffin House and relive the 200-year-old tradition of an olde New England Coffee House — complete with beamed ceilings, historic murals, and olde Colonial tables. Enjoy gracious hospitality in pleasant surroundings, savor our famous coffee brewed in pewter coffee pots like those made by Paul Revere, and served by our charming Pewter Pot Muffin Girls. Tempting New England foods prepared in true Colonial style.

Our latchstring is out from 7 a.m. 'til after midnight daily and Sunday.

HERE AT UTRAV we have had over forty years' experience in planning and operating Student Tours to Europe. We have the professional knowhow but do not depend on this alone. Each year our tour participants pass on to us their comments and suggestions about the places, hotels, sights, guides, and fun features. These are carefully evaluated together with the report of our "Inspector General", a senior member of our Student Tours Department, who visits with our tour participants to get "on the spot" reactions.

SIGHTSEEING PROGRAMS: Well-informed local guides, many specially chosen for our student groups, will introduce you to the highlights of each city. Special visits will be made to outstanding artistic collections such as the Louvre and the Jeu de Paume. Many interesting points not covered on standard sightseeing tours are included.

FREE TIME: The tours are planned to allow you a sufficient amount of free time to pursue your own interests. Your tour leader will always be available to make suggestions for the use of the free time, either for shopping, cultural activities, or sports.

FUN FEATURES: Many special entertainment items are included in each city, such as a swinging discotheque and tickets to a hit play in London, the world-famous Lido in Paris, the Open-air Opera at the Baths of Caracalla in Rome and many others. You will find these listed under the cities in our folder. We suggest you compare these fun features with what is provided in other student tours.

TOUR LEADERS: Our tour leaders are specially chosen from graduates and undergraduates from Oxford and Cambridge and other leading British universities. They are chosen for their personality, linguistic abilities, and travel experience, giving the groups the benefit of the freshness of their outlook and awareness of the contemporary scene.

ALMA MATER HYMN

Hail to you, our Alma Mater
Let our voices join in praise
To the school whose inspiration
Will direct us all our days.
As we stand before Life's portal
You have given us a key
To unlock the great world before us;
And to you we'll loyal be.

When the moment comes for parting
And we bid these halls good-bye
We will take with us forever
Thoughts of you that never die.
Alma Mater, as we leave you
We hold bright in memory
Giving fame to the name of Fisher
in our hearts you'll always be.
